

We have some exciting news!

The People's Pantry Community Shop

How Does It Work?

Based in the Community Square at the back of Repton Connect Community Centre, you'll find our beautifully fitted Community Shop. The Community Shop will be open **Monday 1pm-2pm, and then Tuesday-Friday 10am-11am**. Popping by once a week, you have the freedom to choose the items you need. Starting at a donation of £1.50 for every £5 worth of items, you are able to get a maximum of £20 worth of shopping for just £6!

We work just like a normal shop, come on in, pick up a basket and make your way around the shop selecting the items you need, then once you've found all you need, bring the basket to us, we will total it up and we'll pack your items for you. Please remember to bring your own bags and also tupperware should you wish to use our cereal, pasta, or rice dispensers. You'll also be able to help yourself to some of the items we have available in our Community Fridge.

Although the People's Pantry is now a Community Shop, we are still here for emergency food parcels.

Could you spare some time to become a volunteer and help us run the Community Shop?

If so, pop us an email on peoplespantry@reptonct.uk or give us a call on 01233 808023.
